Attendees:
- Cody Ezell
- Corey Welborn
- Steven Davis
- Zachary Light
- Matthew Crocker

Items Discussed and Decisions Made:
- Presented documentation outline and what needs to be completed with the documentation furthermore.
- Discussed what has been completed with the previous template of incomplete tasks.

Action Items:
- Continue work with the list of incomplete tasks before final review.
- Cody - OnClick coding on the inventory page. Should lead to the individual item page for the item clicked.
- Matthew - Add the scanner to the app.
- Zach and Corey - A fragment for individual items. This should display the item's info in editable text entry boxes. Item ID and User ID should not be displayed as they should not be edited. There should be a delete item button and an update item button.
- Steven – Documentation and assistance with code with Zach & Corey as well as Matthews implementation of the scanner.

Note: For our purposes, <u>each student</u> is to post the meeting minutes to their personal repository.
