Shift Team 6 **Meeting Minutes**
Date: 3/25/21

Attendees:
- Cody Ezell
- Corey Welborn
- Steven Davis
- Zachary Light
- Matthew Crocker

Items Discussed and Decisions Made:
- Discussed documentation and what needs to be completed with the documentation furthermore.
- Discussed what has been completed and what is still incomplete with the project overall.

Action Items:
- Provided a layout of incomplete tasks and assigned each task to a team member
- Cody - OnClick coding on the inventory page. Should lead to the individual item page for the item clicked.
- Matthew - Add the scanner to the app.
- Zach and Corey - A fragment for individual items. This should display the item's info in editable text entry boxes. Item ID and User ID should not be displayed as they should not be edited. There should be a delete item button and an update item button.
- Steven – documentation outline and assistance with code as-needed due to technical issues with Android Studio

Note: For our purposes, <u>each student</u> is to post the meeting minutes to their personal repository.
